

California Academy of Science

Renzo Piano

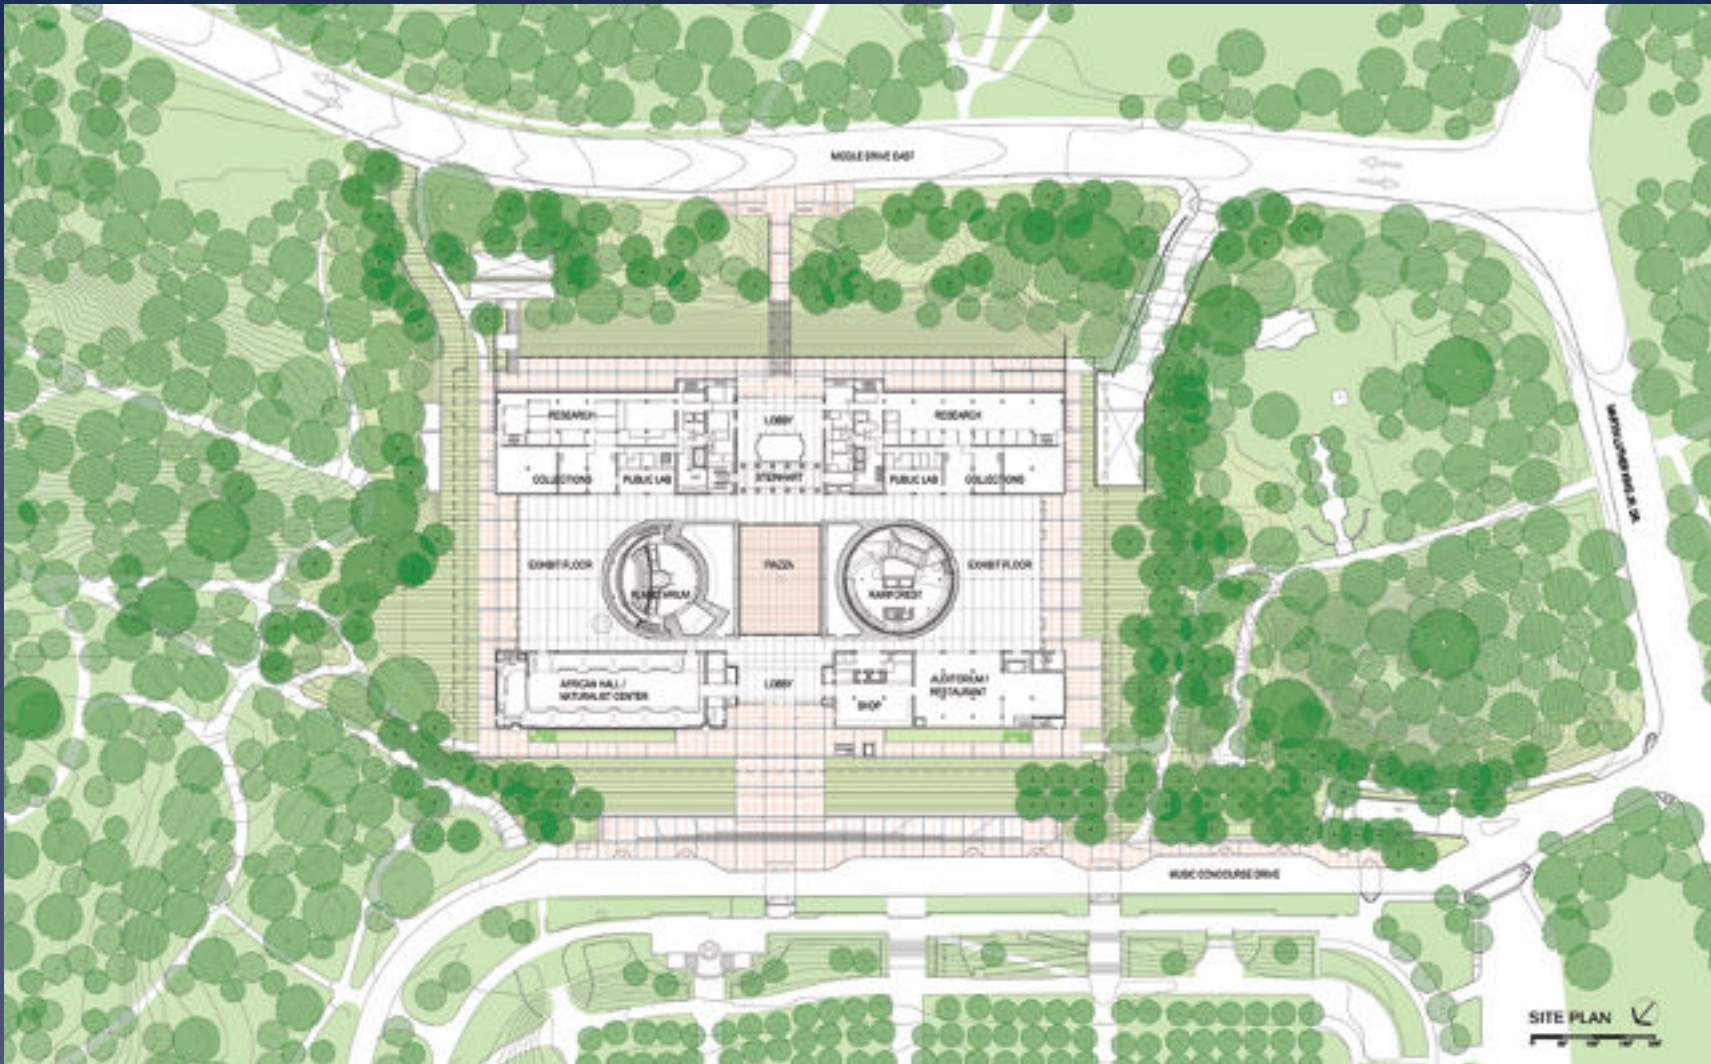

Another Renzo-light-from-above museum?

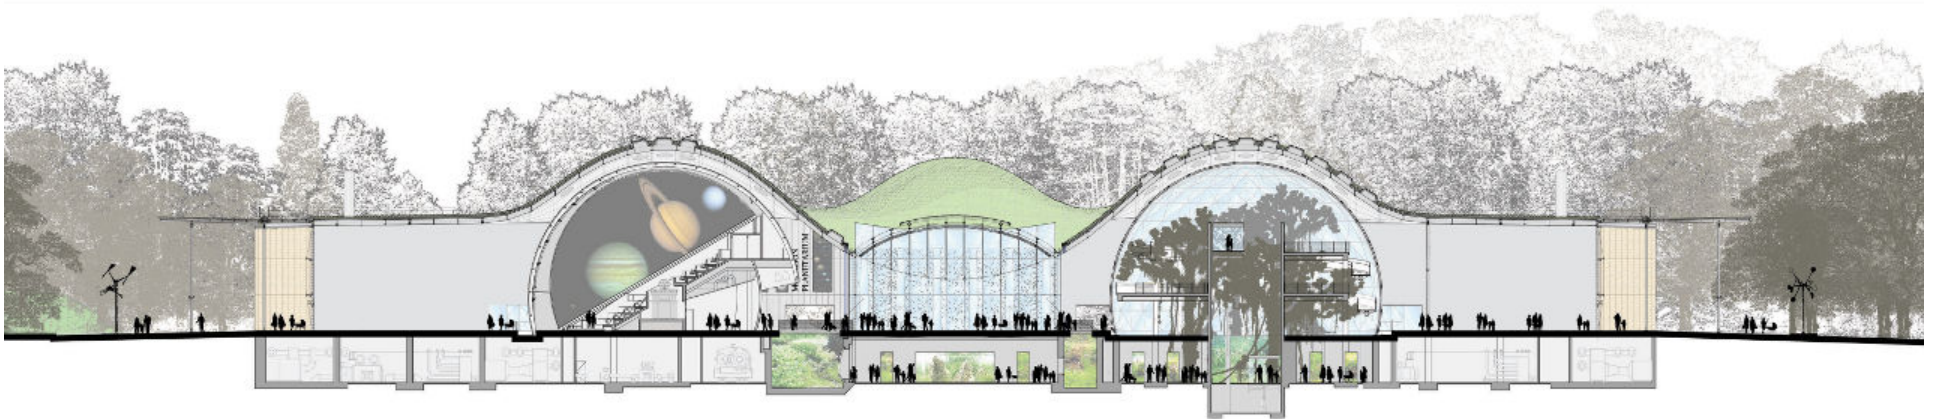

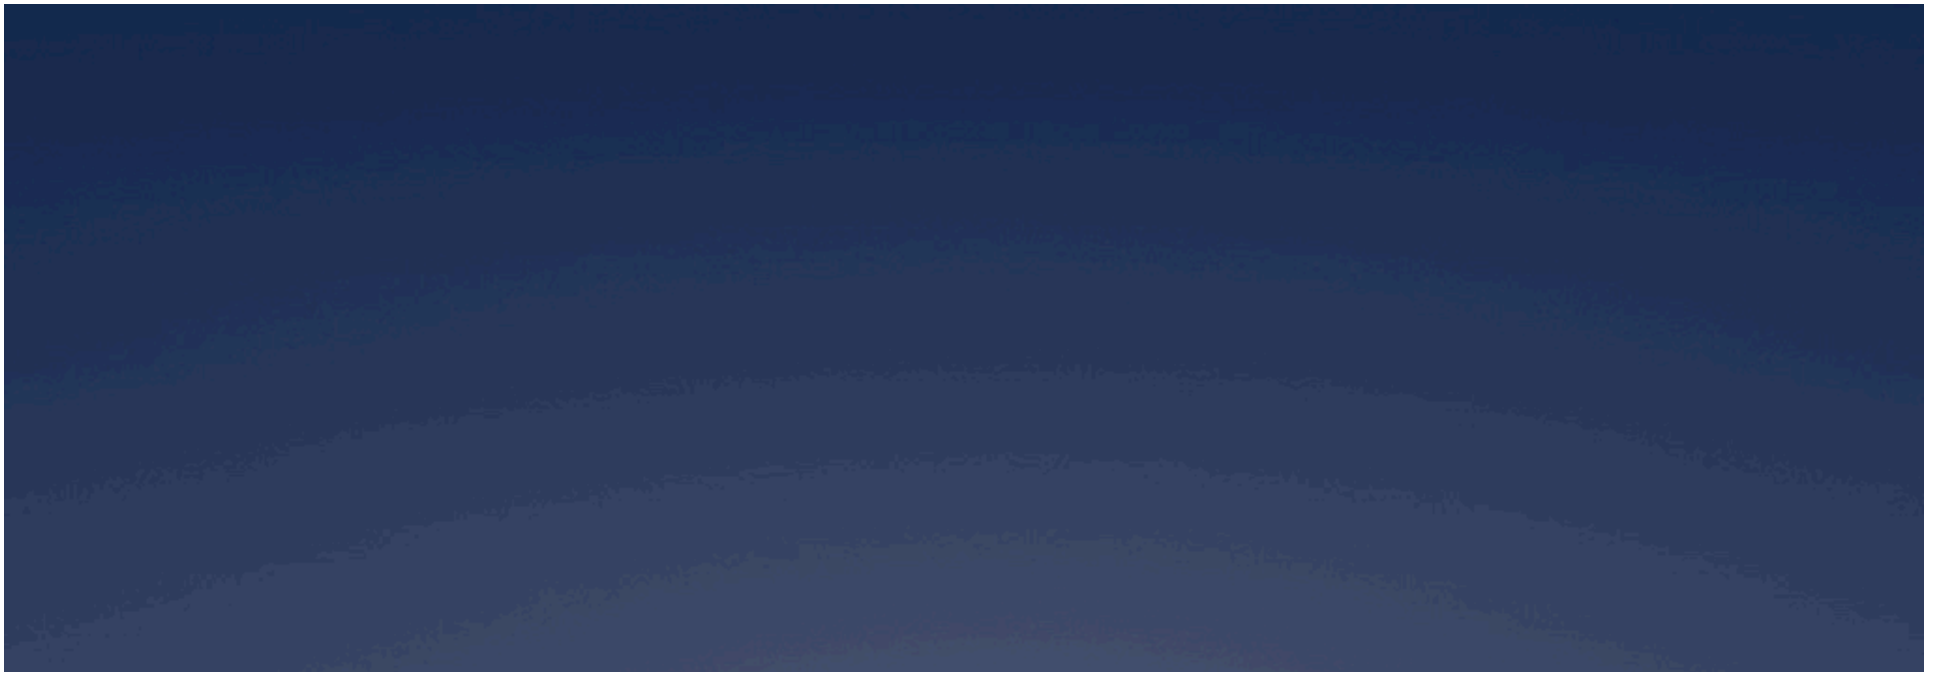

California Academy of Sciences
Explore, Explain and Protect the Natural World

Another “dumb-plan” building? Like the Twombly, Menil, Nasher, Beyeler

...a competing thought...more to follow...

Holding science in bubbles...

The two million gallon savings... in 250,000 s.f.

Biodegradable
trays with native
species...by Rana
Creek Nursery
